[removed.txt](#)

Hi

Here's another question.

Are there briefings that I should be listening into so that I don't have to bother you so much?

Hope you had a great weekend,

Ronna Beckmann

Office of the Regional Administrator

U.S. Environmental Protection Agency, Region 5

**Subject:** BP Oil Spill Update

Ronna, last we were updated BP was attempting to investigate if oil has sunk to the bottom of the lake. Any update on this investigations and how is the cleanup of the surface oil going?

Thanks, Chase
